March 20, 2018

Dear Glen Rock Middle School Parents/Guardians,

As you may know, this spring students in grades 6 through 8 will be taking the computer-based state assessments. The PARCC (Partnership for Assessment of Readiness for College and Careers) is intended to measure students' performance in both English/Language Arts and Math. In addition, all 8th grade students will be taking the NJSLA-S (New Jersey Student Learning Assessment – Science). This is intended to measure students' performance in the subject area of Science.

2018 State Assessment Schedule

ELA: April 23, 24 and 25

Math: April 30, May 1 and 2

Science (Grade 8 Only): May 8

Students will be told their testing locations and times prior to the assessments. Please note that in the event of an absence, we ask that you call the office by 7 a.m. on testing days and students will be required to make-up any missed portions of the exam.

You may visit the PARCC website which has a section devoted to providing information for parents. The PARCC parent webpage can be found at <http://www.nj.gov/education/assessment/parents/>

Should you have further questions or concerns, please do not hesitate to contact your child's School Counselor.

Regards,

Brian Pepe
